- Thursday, April 18th: Reading Vocabulary Test
- Math Timed Tests – keep practicing Math facts

Planners: Remember, planners must be signed every night. This is considered a homework assignment.

Parents: Please remember to always wear your ID badge while on campus. School policy states that parents must have an ID badge in order to pick up their child or have signed in at the front office.

Students: Remember to always follow the school dress code. Please bring water bottles as the temperatures are rising. Make sure you are following all of the rules when you are on the playground. When the whistle is blown after recesses, the students need to line up quickly and quietly.

Spalding/Spelling: Students are expected to use neat Spalding handwriting in all subjects. Practice your spelling words. The words are getting more difficult.

Reading: We will read about Newton and the Apple Tree, An Axe to Grind, George Washington and His Hatchet, and General Washington.

Language/Grammar: We will continue to learn how to diagram sentences.

Math: We will be learning about symmetry, ordering decimal numbers, naming parts of a group for percentages. We will also be doing a review on graphing.

Science: We will be continuing our unit on the human body. We will be learning about the respiratory, nervous, and digestive systems.

History: We will continue our unit on maps.

Tutoring Dates for the Rest of the Year:

Math: Tuesday, April 16th, 23rd, 30th Please note that my last day of math tutoring will be on April 30th.

4th quarter is here & can be difficult. Please check your child's grades frequently through your "family link" account.
